Plan to attend and watch some of the  
oldest equipment in Knox County operate  
like it did 100 years ago!!!

This threshing bee is the dream of Shonn  
Endres and Scott Frevert. It began 3 years  
ago as a very small get together of people  
with similar interests in antique farm  
equipment. It has grown to more than  
they ever imagined with about 200 in  
attendance last year!
